1. C/OLC				<p>Don Gregg has handed me the attached list of items which the SSCI would like to be briefed about. As you will note, I have annotated in the margin my views as to which intelligence agency should have action. Re Item 5, we are trying to determine who and what [redacted] was. 25X1</p> <p>I am not at all sure how this might be orchestrated, but we took the liberty of informing C/INR (Ambassador Bowdler) that State might be contacted concerning a SSCI briefing on the "Spy War" situation.</p> <p>In all likelihood, it will be Chief, SE [redacted] 25X1 who will get the nod from this office to provide the briefing of those items about which CIA has action.</p> <p>If you have problems with all this, please let me know. [redacted] 25X1</p> <p><i>John Stein</i></p>
